## DISPOSITIONS

### Legend Disposition

Exceptionally Closed: Reasons outside the Department's control prevent it from continuing or completing its investigation of a complaint, and/or from charging and prosecuting an accused employee when sufficient evidence exists to charge the accused employee. Examples may include: the employee resigns, dies, or is no longer employed by the Department.

Exonerated: The incident occurred but the employee's actions were justified, lawful, and proper.

Not-Sustained: There is insufficient evidence to sustain a finding that the employee committed the violation.

Sustained: The investigative file provides sufficient evidence to support the finding that the employee committed the violation.

Unfounded: Complainant admits to false allegation, the charge is false or not factual, or the accused employee was not involved in the incident.
