NEWS RELEASE

On May 21, 2010, the Atlanta Police Department, being committed to improving the quality of life in the City of Atlanta launched an additional service from our website. This new interactive service allows users to check narcotics arrests. The inquiry shows the type of arrest, date, race and gender of arrestee, address by block number, neighborhood and NPU. The purpose of this link is to serve as an added tool for residents, business owners and concerned citizens to be well informed of the police activity in regards to drug arrest. The link will be updated continuously on a weekly basis and has a database going back to January 1, 2010. The website is www.atlantapd.org. On the left side of the web page, there will be a menu selection for Police and Community, once there it will be a selection for drug arrests. The user will be asked to enter a range of dates, and then choose from the offered selections. Furthermore, anyone with information concerning illegal drug activities are asked to call Atlanta Crime Stoppers at 404-577-TIPS(8477) or the Atlanta Police Narcotics Tip Line at 404-546-2650
