or login with

 Login with Google

 Login with Facebook

 Login with Twitter

2. Enter the email address used to register the associated account.
3. Enter Password used with the associated account.
4. Click **Sign in**.

## HOW TO LOG IN or RESET YOUR PASSWORD (cont'd)

The image shows the Tyler Identity login page. At the top left is the Tyler Identity logo, which consists of a cluster of green and blue dots followed by the text "tyler identity" in a bold, blue font, and "a total tyler solution" in a smaller, green font below it. Below the logo is the text "Sign in to your Tyler account". There are two input fields: "Email" containing "vanwinkley2020@gmail.com" and "Password" which is currently empty. To the right of the password field is an eye icon. Below the password field is a red-bordered box containing the text "Forgot password?". Below this are two buttons: "Register" and "Sign in". Below these buttons is the text "or login with". There are three social login buttons: "Login with Google", "Login with Facebook", and "Login with Twitter".

5. If you forgot the password, follow these steps:
  - a. Enter the email address associated with your current ATLCORE account.
  - b. Click **Forgot password?**

Forgot your password?

Enter your username or email address and we will send you instructions on how to create a new password.

6. Enter associated email again.

7. Click **Submit**.

8. The system will send an email to the email address entered with instructions on how to create a new password.

9. Log in to your email account to retrieve the email with instructions. (Remember to check your Junk/SPAM folder if necessary. For gmail account holders, the email may be in your **Promotions** folder)
