NARRATIVE

On July 1, 2021, Officer Rodgers and myself, Officer Coleman, was dispatched to a person shot call located at 552 Parkway Dr.

Mr. Torrence was located at Atlanta Medical hospital with a GSW to the right thigh and had pieces of a projectile stuck in his left leg. Officer Butler arrived on scene at the hospital along with GAT Investigator 4339 and spoke with Mr. Torrence.

Mr. Torrence stated, he was going home and just got off work. Mr. Torrence stated, once he started traveling south on Parkway Dr Ne, he heard shots fired and immediately sped away on a E Bird scooter. Mr. Torrence stated, he realized he was shot and went straight to the Atlanta Medical hospital.

I canvassed the intersection of Parkway Dr Ne & Felton Dr Ne and observed reddish brown stains that resembled blood on the sidewalk near 552 Parkway Dr. Officer Rodgers spotted a shell casing on the sidewalk in front of the Bedford Pines Apartment staircase at 552 Parkway Dr. A total of 7 shell casings were recovered at the location.

[Redacted] provided camera footage of the incident with her ring doorbell camera. The footage shows a black male, slim build, wearing a yellow hat, black shirt, blue jean shorts with black socks and shoes standing in front of 552 Parkway Dr Ne at approximately 3:51 pm. The suspect waits for Mr. Torrence to ride by him a E Bird scooter at approximately 4:05 pm and without notice or instigation, the suspect fires 7 shots at Mr. Torrence. The suspect retreats into apartment 101 at 552 Parkway Dr Ne. The suspect later comes back outside and enters a white in color 2002 Chevy Impala with tinted windows (No Tag). That vehicle travels North Bound on Parkway Dr Ne.

Mr. Torrence stated, he did not recognize the suspect that shot him, however he informed Ofc. Butler that the suspect had short dreads.

Video footage was sent to GAT Investigator 4340 email. GAT INV 4340 arrived on scene for further investigation as well as SGT. Egbert. Crime Scene 7334 arrived on scene and recovered shell casings and other pivotal evidence.
